# Candy RV Assembly Instructions

## You will need:

- Packages of gum (2 large or 6 small)
- 5 Junior Mints®, Lifesavers®, Smarties®, or M&M® candies (for wheels)
- 4 chocolate bar rectangles or mint bars (for windows)
- 3 dessert mints or Chicklets® (for lights and air conditioner)
- Hot glue gun
- Aluminum foil

## Instructions:

1. Wrap all the gum together in aluminum foil to create the body of the RV.
2. Wrap all the individual candies in aluminum foil, except the 3 dessert mints or Chicklets®.
3. Glue the 3 unwrapped dessert mints or Chicklets®, as the lights and air conditioner, onto the foil wrapped gum RV body.
4. Glue the rectangular candies onto the RV body for windows.
5. Glue the foil wrapped round candies onto the RV body for the wheels.
6. Display or eat!
