Pine Cone Bird Feeder Assembly Instructions

You will need:

- Pinecone
- Peanut butter
- Birdseed
- Spatula
- High-sided pan or scoop
- String or ribbon or hanging

Instructions:

1. Spread peanut butter on the pinecone with a spatula.
2. Pour some birdseed into a pan with high sides or scoop out birdseed.
3. Roll the pinecone into the birdseed or pour the birdseed onto the pine cone until it is completely covered.
4. Tie a string around the top of the pinecone and hang it on a tree.
5. Watch for the birds to come and eat their treat.
