

Signs, Signs And More Signs

Our world is filled with all kinds of signs. Many of the signs you see when you go to school, ride your bike and cross the street are the exact same signs children see all over the United States.

Words on the signs are important but the shapes and colors of signs also send us a message.

Color the signs in the box and look at what each sign color means.

Red  Stop	Green POPSICLE STREET NEXT EXIT Direction Sign	Blue SURPRISE HOTEL Hotels, Gas, Restaurants, Hospitals	Yellow  Warning
Black on White SPEED LIMIT 50 Speed Limit	Orange CONSTRUCTION NEXT 25 MILES Construction	Brown WABAGO PARK 25 MILES Recreation, Parks	

Now color these signs the correct color.
